

Colors of Paradise

Shiraz is opening its doors to the world — through the eyes and imagination of children

We invite young artists aged 7–15 from around the world to paint Shiraz, its gardens, monuments, and heritage — and, if they wish, to share a painting of their own city too.

This is more than a competition.

It's a celebration of creativity, friendship, and cultural exchange.

Paint your way to Shiraz!

Submission deadline: 15 March 2026
